Action, portraits, season content and longer stories.

04

CORPORATE + EVENTS

Brand films, events, interviews and business photography.

05

DRONE + CIVILS

Aerial media, surveys, photogrammetry and technical capture.

06

SOFTWARE + WEB

Custom sites, apps, internal tools and AI-assisted workflows.

Planning, shooting and delivery.

01 **Agree the job**

Start with what the content needs to achieve.

02 **Plan the crew**

Keep crews lean and scale only when needed.

03 **Agree the outputs**

Shoot for web, social, campaign, archive or broadcast.

04 **Edit and deliver**

Images and films in the formats you need.

A useful starting brief
